 Year in Review

INTERCULTURAL EVENTS

Intercultural Ministry (IM) strategies call for increased collaboration, fellowship, and cross-cultural knowledge. Three major events helped advance these objectives.

1. NYC Ethnic/Presbyter Leadership Forum
2. NYC Intercultural Banquet
3. NYC Intercultural Seminar

MUSLIM MINISTRY FOCUS

WHO'S MY NEIGHBOR? - Islam makes the headlines almost daily. 800,000 Muslims reside in the greater Metro NY area. It's time to engage. Our Fall Seminar (Who's MY Neighbor?) focused on ministry to Muslims.

ISLAM – “The Mount Everest of missions: it draws a lot of attention but few climbers.”

MUSLIM MINISTRY CENTER - Plans are underway to open a Muslim Ministry Center out of the Sutun E Haqq AG Church (Pastor Pervez Khokhar). The center will help collect and dispense:

1. Evangelism Materials
2. Information and Study Resources
3. Training Strategies For Practical Ministry

INTERCULTURAL STUDIES

In partnership with the NY District School of Ministry (DSOM), IM launched a special curriculum for intercultural studies from Buffalo to Long Island.

- 501 – Cross Cultural Leadership
- 502 – Ministry to Muslims
- 503 – Multicultural Ministries
- 504 – 21st Century Missions

“Many people still think that mission is only done overseas, and that unreached people do not live here in America.”

Mark Hausfeld (president AGTS and former international director for Global Initiative: Reaching Muslim Peoples)

THANK YOU FOR YOUR SUPPORT AND PRAYERS!

Julie and I thank God for the privilege of serving missions within the NY Ministry Network. This includes directing the IM Department and the World Missions Department as the interim Network Missions Director for AGWM. We depend entirely on faithful churches and friends for our monthly missionary support. Our positions in the district network have not changed this and we need your support and prayers now more than ever. Missionary Faith Promise – Account # 219427-2

Please help us advance cross-cultural evangelism to the 82 significant people groups in NYC and beyond.

With friends from Global Initiative

BLESSINGS!
